DEDICATION

Thinking of. . .

Your friendship and dedication towards students as individuals-

Your humorous approach towards life and its ups and downs-

Your willingness to share your time, giving leadership and guidance as an advisor for V.I.C.A.-

Your unique way of helping to finance V.I.C.A. (Did you give your nickel today?)-

Your understanding that bus driving can be fun as well as a serious responsibility.

Thinking of these and many other qualities, we, the senior class of 1975, proudly dedicate this yearbook to you, Mr. Yarmon, as an expression of our gratitude and appreciation.

"It is a real honor and pleasure to receive this dedication; I am very grateful to you. Thank you and good luck in the future."

FOREIGN EXCHANGE STUDENT

Helena Sorri

My school time here at Paynesville High School was quite a short (not much more than one quarter) but still it wasn't too short to get many new experiences.

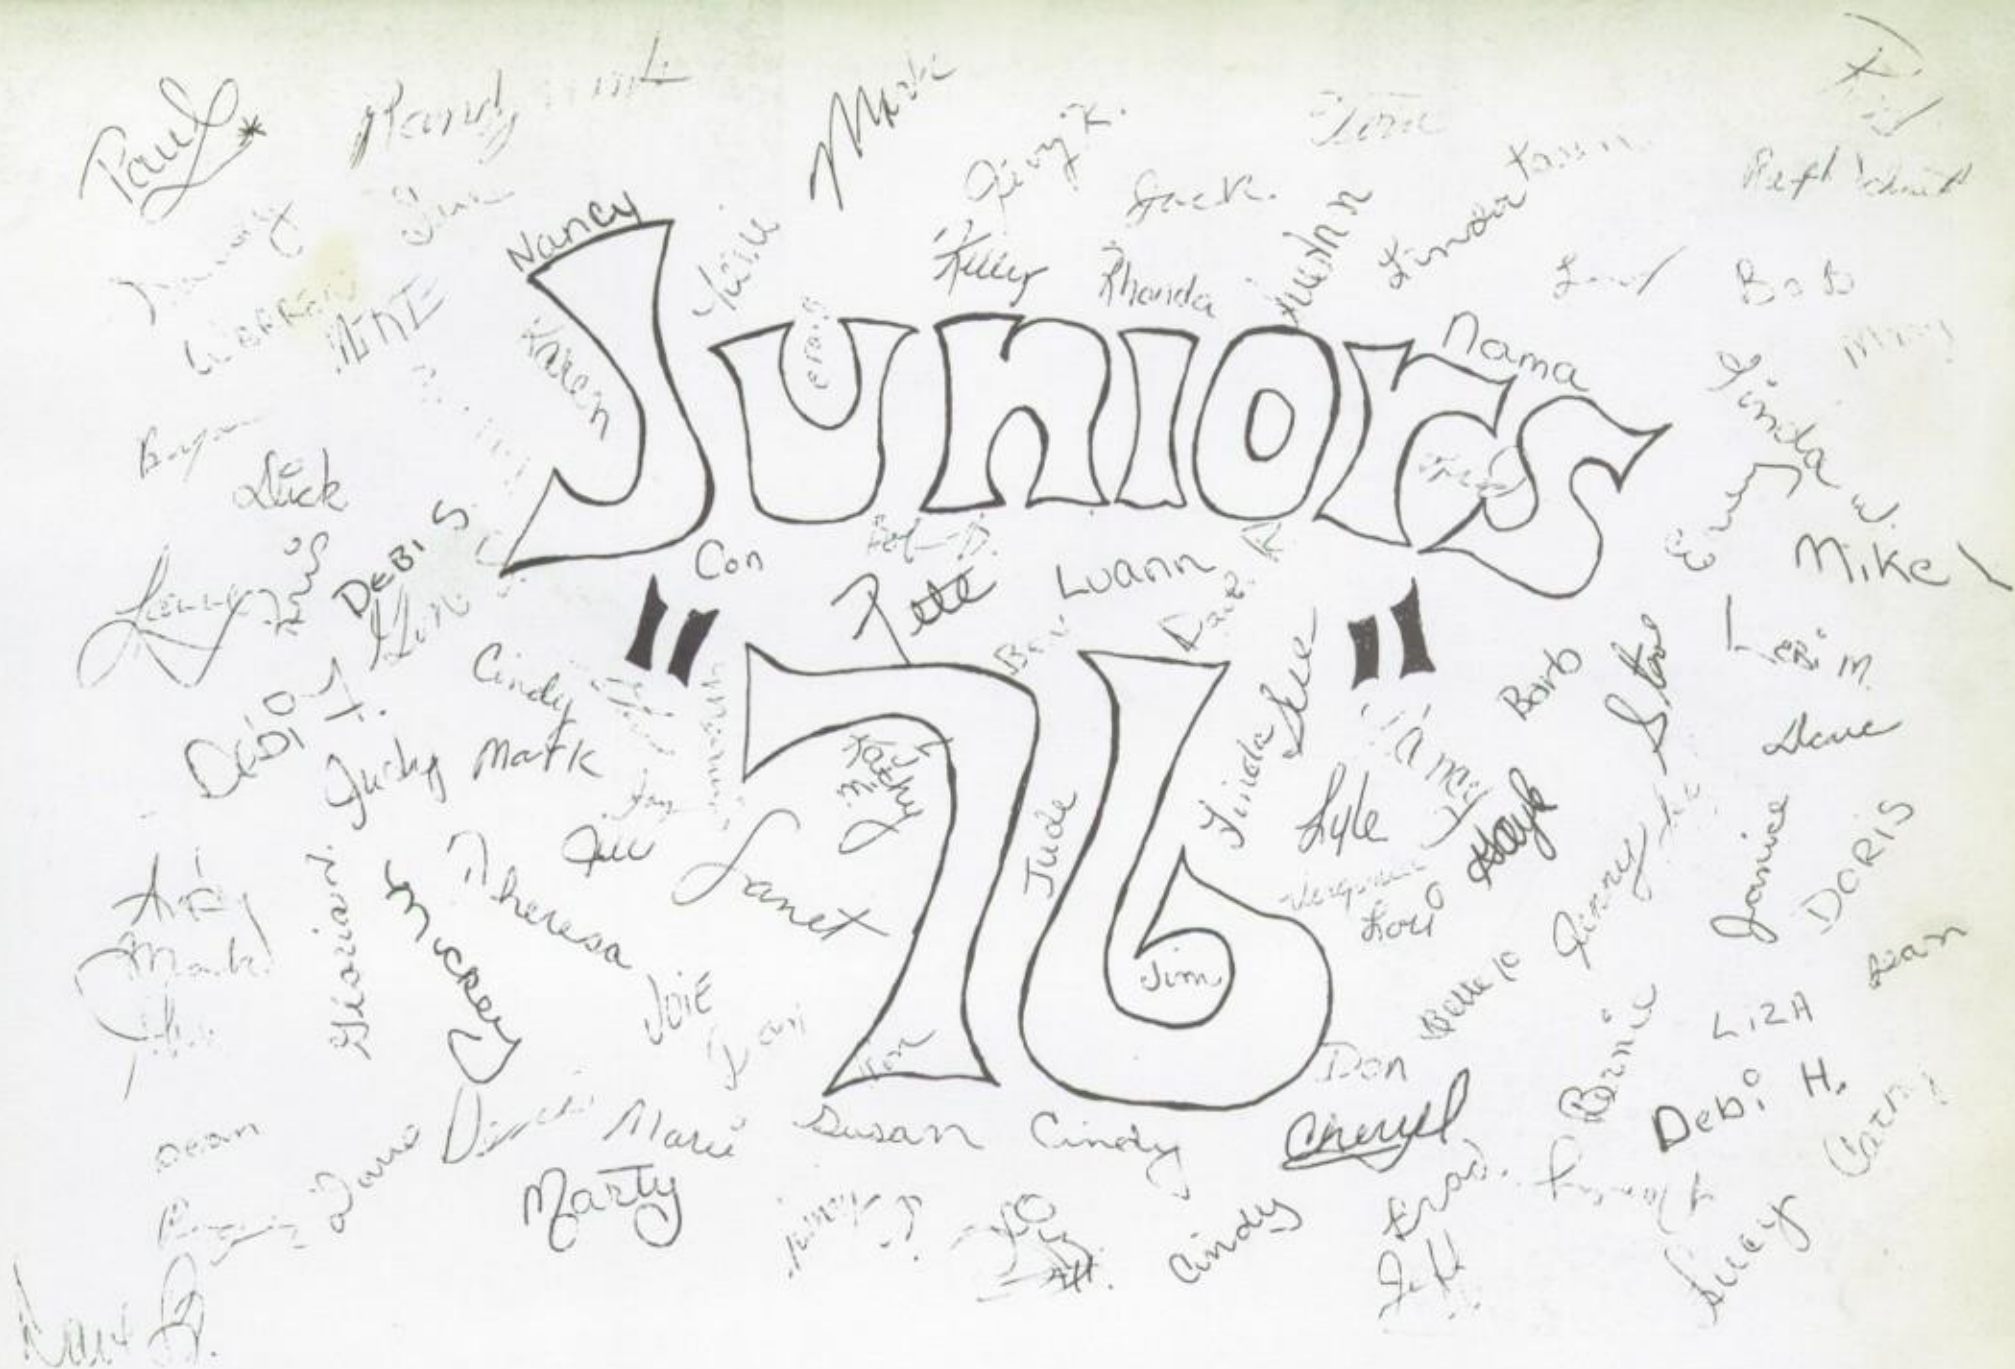

This school system is so different than over there that it took a little while before I found a way to do things. But, fortunately, I didn't be alone with my questions. You people helped me so well over many difficulties.

This was also the time when my knowledge of your language was bad. So I'm sure that it sometimes made misunderstandings but I think most all came at least quite clear.

Then I remember those your games what I enjoyed so much. In my country we have school games too but not so often and not so big and important thing that here. The games in this were one new and fun thing what I saw but choir was another. I haven't ever been this big choir and had a concert like here.

I underwent so many funny things what I have really enjoyed that I can't write them all here. So now once again I want to thank you all, teachers and students, being so nice for me.

SO KIITOS KAIKESTA!
(thanks for everything)

"Circles"

My mind is going in circles
 All because I don't
 Know which way to go
 I am so aware
 So aware
 Of what is going on
 around me and yet
 I don't know where
 To go or what to do
 Things disgust me and
 then there are things
 That make me feel good
 But most of all
 There are times
 When I don't know
 How to react and
 My mind just goes in
 Circles.....

VICA (Vocational Industrial Clubs of America) is comprised of students in Building Trades, Health Occupations, Small Gasoline Engines, and Welding.

The club, which is an important part of the students' vocational training, helps to promote leadership and interest in the vocational classes.

Throughout the school year VICA is involved in their slave auction, co-ordinating the snowmobile races, and co-sponsoring the Sno-fest activities. The members also prepare for VICA competition which is held each spring in Minneapolis.

This past year has been a very active one for the Paynesville F.H.A.ers. A slumber party in the gym, followed by initiation for the new members began this year's activities.

The F.H.A.ers also participated in the district meeting at Litchfield, where Margaret VanderBeek became the District VI Vice-President.

Other activities include the Sadie Hawkins dance, decorating the school for Christmas, serving coffee and snacks after school weekly for teachers, celebrating F.H.A. Week, and the state F.H.A. meeting in Minneapolis.

The members were also active in a fund-raising carnival, as co-sponsors of Sno-Fest, and in the annual Awards Night and spring picnic.

The Paynesville F.H.A. chapter chose pre-school children again this year as their in-depth IMPACT program. Their major project was a Saturday story-time for Paynesville area pre-schoolers. Approximately 100 children were involved in story-time this year. They met twice a month in the Elementary library and participated in games, art, and music activities, under the direction of F.H.A. members. A christmas party (complete with Santa Claus) was also held for the pre-schoolers at Christmas-time.

A record-breaking year for P.H.S. speakers began with an Invitational at Eden Prairie-Chaska on Feb. 23, 1974. There a speaking team of 10 took the 5th team place. Next followed three more Invitationals: one at Richfield (6 entrants, no team place), Rocori (15 entrants, no team place available), and Albany (33 entrants, 1st team place).

After the preliminary festivals, the speakers moved on to Sub-District competition. Out of 31 entrants, 27 advanced to District, with four alternates. At District, Paynesville sent a record number of speakers through. Of the 27 entrants, 23 advanced to Region, with three alternates. At Region, 6 made it to finals and three of them, Linda Cameron, Extemp. Reading, Gayle Anderson, Serious Drama, and Tim Klenk, Non-original Oration, advanced to State competition of April 27, 1974 at Henry Sibley High School in St. Paul. Gayle Anderson and Tim Klenk placed 2nd in their divisions. Paynesville as a team was tied for 3rd place.

The 1974-75 varsity debate team consisted of Sharon Frauenshuh, Linda Lenzmeier, John Weis, Dave Easterday, and Loren Lorenz.

The Paynesville debaters enjoyed a successful season by bringing back a third place trophy from the Hopkins-Lindberg Debate Tournament, a first place trophy from the Columbia Heights-Alexander Ramsey Debate Tournament, and a second place trophy from the International Falls Debate Tournament.

The varsity team, however, ended their season by being eliminated in the first round of the Region 5 State Debate Tournament. At the Regional Tournament, the debaters posted a 3 win and 3 loss record with two of their losses being by a one point difference. These two losses eliminated the Paynesville debaters from qualifying for the semi-final round of the Regional Tournament.

Including the Regional Tournament, the affirmative team of Linda Lenzmeier and Sharon Frauenshuh posted an excellent record of 29 wins and 13 losses. The negative team of John Weis, Dave Easterday, and Loren Lorenz posted an even record of 21 wins and 21 losses.

The senior members of the team, Frauenshuh, Lenzmeier, Easterday, and Weis were excellent debaters, and their effort and ability will be missed and difficult to replace.

HOMECOMING 1974-'75

Roger Lauer

P.H.S. Homecoming began its 1974 countdown Thursday night with a well attended Variety show in which Dave Easterday and Steve Peterson took First place for their "Little Men" skit. Second place went to Judy Hennen for "Pimple" skit, and a dance routine to "Hey, Big Spender" won Third place for Cindy Bolstad and Joan Vanderpool.

On Friday the count down continued and tension grew as students waited to see who would become the new 1974 royalty. 1973 King Meldon Seeland and Queen Louie Mehr were at hand to pass the title on to our new Homecoming royalty Queen Cindy Bolstad and King Roger Lauer.

That night the Bulldogs proved they really are "Out of this World" with a welcomed 27-12 victory over the Melrose Dutchmen.

The Saturday night dance with music by the Rocking Horse officially ended Homecoming 1974 with a BLAST!

A time of innocence,
A time of confidences,
Long ago it must be
I've a photograph
I preserve your memories,
They're all that's left you.
